I love Oksana, but I really see a great room for improvement in spacing/kerning. Perhaps the default spacing is too narrow, plus you also need to work on kerning problems (well, if you're looking for perfection. Kerning lasts a long time and it's a pain in the ass) The image shows the current spacing/kerning at the top and my view of the gap at the bottom. Thank you for your time. 11 matches Based on my real handwriting he 10 match Happy Phantom 1 match Hi everyone, trying to solve this. It looks a lot like Ballpark, Home Run and Country Western, but not quite right. I'm looking for an exact match if possible. Any help appreciated. Hoots fan matches (1) Normal .
